## Erratum

In the article 'De Novo Mutation in the SCN5A Gene Associated with Brugada Syndrome' [Cell Physiol Biochem 2015;36:2250-2262. <https://doi.org/10.1159/000430189>] by Wang et al., the incorrect images were included in Figure 4B. The authors reviewed the original files and stated that the errors occurred when they produced the composite figures. The corrected Figure 4 is shown here.
